**Position Overview**
Shoalhaven Region Anglican Schools endeavour to help students excel and provide a quality learning environment to maximise students’ educational outcomes. The Construction Teacher will report to the Head of School at Shoalhaven Anglican School but will work closely with the VET Coordinator and other staff delivering the VET program. The position will be supported by the technical assistance of the IT support team. The Construction Teacher is expected to demonstrate a high level of knowledge and innovation in their specialist area of the VET curriculum.

This position is based at Shoalhaven Anglican School. However, at times it may be necessary to work with staff at Nowra Anglican College.

**Preamble**
The aim of Shoalhaven Region Anglican Schools is to be the most outstanding schools in the Shoalhaven region. It is the product of the vision of a community - to build schools with access to all who want their children to achieve the highest standard of education and behaviour.

Shoalhaven Region Anglican Schools are Christian schools in the Anglican tradition. The Christian ethos is present in its caring philosophy and its concern to produce educated leadership. The Schools are community schools in the sense that their doors are open to all, so long as they are sympathetic to and supportive of the Schools’ Christian foundation.

This position is based at Shoalhaven Anglican School.
PRIMARY RESPONSIBILITIES:
This job involves the delivery of high quality training, course preparation and development, training and session plans and various relevant assessment tasks required, with the goals of guiding student participants towards Certificate III Carpentry course qualification.

Essential Qualifications and Experience
- Certificate IV in Training and Assessment (TAE 40110)
- Certificate II in Electrotechnology (UEE22011)
- Relevant industry qualification/s
- Recent industry experience
- Unrestricted NSW Drivers licence

SCOPE OF SPECIFIC DUTIES:
- Deliver training and assessment services to students undertaking nationally accredited training within the Construction industry
- Manage and monitor allocated students to ensure they meet training and assessment milestones throughout their training term
- Ability to pass a Working with Children check to train individuals under the age of 18
- Develop Vocational Education and Training competency and currency by attending further training and professional development as required.
- Comply with WHS requirements when delivering training and assessment to students
- Develop course content, training, assessment tools and resources for use within Shoalhaven Region Anglican Schools (SRAS).
- Actively participate in the continuous improvement processes of SRAS.
- Participate in compliance activities
- Meet deadlines for all course administrative and compliance requirements.
- Adhere to SRAS Policies and Procedures in all actions
- Adhere to the VET Quality Framework throughout all operations

Pastoral Care
- Provide regular reporting on student progress to students and parents using the School on-line database portal
- Produce regular exception reporting relating to any student issues such as absenteeism, unit competency issues, behavioural problems etc
- Establish and maintain good working habits and discipline in classrooms and throughout the School that uphold the School’s standards and expectations
- Mentor students whilst they are on site at the School and in their workplace and whilst they undertake their trade training
- Participate in the wider life of the School

Desirable qualities:
It is desirable that a VET teacher/trainer at the Shoalhaven Region Anglican Schools should be able to demonstrate:
- Alignment with the Philosophy of Education of the Sydney Anglican Schools Corporation
- An active commitment to the Christian faith
- An ability to relate to 15-18 year old adolescent students
- Enthusiasm and passion for training
- Ability and willingness to work as a team member
- Enthusiasm to pursue continuing professional development
- Excellent time management skills
- Excellent organisational skills
- Excellent verbal and written communication skills
- Excellent computer skills

Each staff member may be required to perform other duties that are deemed appropriate by and in negotiation with the Principal from time to time.

All teaching staff are required to participate in the life of the College by attending Staff Devotions and participating in the Focus on Faith course.

The position will initially carry with it a 0.2 FTE teaching load (although this may vary from time to time). Other duties may be allocated from time to time.
