

BOMADERRY COMMUNITY PRESCHOOL FUNDING

Bomaderry Community Preschool is a not-for-profit community preschool, approved by the NSW Department of Education to provide quality early childhood education and care. The following information will clarify how our preschool is funded and how our fees are determined.

HIGH QUALITY PRESCHOOL PROGRAM

At Nowra Anglican College we acknowledge the unique and important phase of life that is Early Childhood. The early years are particularly significant as it lays the foundation for all future learning and sense of belonging.

Our Early years programs:- 'Bomaderry Community Preschool' & 'Bomaderry Community Preschool Banksia' have been rated as 'Exceeding'. We invest in our team, our environment and our values to ensure we offer a quality preschool program and practice. Our fees reflect the quality of service we provide.

We invest in experienced long-term staff and educator to child ratios that are higher than the national minimum requirements.

HOW IS OUR PRESCHOOL FUNDED

Our Early learning programs are funded by the NSW Department of Education's Start Strong for Community Preschools program. The program provides funding to deliver affordable, quality preschool education to children aged 3 and above.

This funding is designed to reduce preschool fees, making 600 hours (15 hours/week) of early childhood education more affordable for families.

Fee relief is available for families of eligible children and can only be claimed at ONE preschool.

We are NOT connected to the CCS (Childcare subsidy).

Our fees are set each year and may be subject to change.
